Take Action

Spring is the ideal time to spruce up your yard by planting flowers or adding a tree or two. It's also a perfect time for sharing a wee bit of your green \$ with Carpinteria Beautiful. We promise to make it bloom!

Take Part

Every Carpinteria Beautiful project begins with a good idea and someone's willingness to see it through. The group welcomes new ideas and can provide help (volunteers, funding, moral support) for new endeavors. If you have a suggestion for a project, a willingness to volunteer, or you simply share our passion for keeping Carpinteria beautiful, come along with us. Meetings are open to all (just walk in) and are held at 9 am the second Saturday of each month (September to June), in the City Hall Council Chambers. For more information, call Donnie Nair at 684-9328.
